**YUVA TALK**

Yuva Shristi program of Anvesana has launched Yuva Talks to facilitate regular meetups and discussions with young individuals in the region. These sessions provide a casual platform for youths to engage with experts and gain valuable insights. The inclusive nature of these talks encourages participation from individuals of all backgrounds.

**"CYBER SECURITY BASICS: UNDERSTANDING THREATS AND DEFENSES WITH REAL-WORLD CASE STUDIES"**

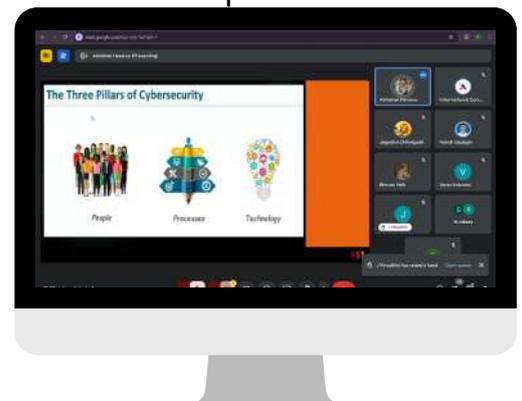

Engaging session on "Cyber Security Basics: Understanding Threats and Defenses with Real-World Case Studies," led by Mr. Abhishek Havanur, a Cyber Security Analyst at Capgemini. As part of the YUVA Talk series, the session offered a comprehensive overview of essential cybersecurity principles, emphasizing the importance of safeguarding digital assets. Mr. Havanur illustrated key concepts like confidentiality, integrity, and availability, while discussing real-world incidents such as the Outlook breach.

**Mr. Abhishek Havanur**  
Cyber Security Analyst  
Capgemini

His insights shed light on the evolving landscape of cyber threats and the strategies needed to defend against them, making the session highly relevant for today's digital age. Mr. Havanur also touched on the expanding career opportunities in cybersecurity, motivating students to explore this critical field.

The session concluded with an interactive Q&A, allowing participants to delve deeper into the latest trends and challenges in cybersecurity.

## **CASE STUDIES: FROM INNOVATIVE IDEAS TO SUCCESSFUL BIOTECH STARTUPS AT SAHYADRI DEGREE COLLEGE, SHIVAMOGGA**

A dynamic awareness session on Innovation and Entrepreneurship in Biotechnology was recently conducted for students of the Biotechnology Department at Sahyadri Degree College, Shivamogga. The session was led by Mr. Harish G, Head of Innovations and Programs at Anvesana, who provided a deep dive into the entrepreneurial opportunities within the biotechnology sector.

Mr. Harish highlighted the critical role of innovation in biotechnology and shared compelling case studies of successful biotech startups. These case studies illustrated how innovative ideas can be effectively transformed into thriving businesses, offering students practical insights into the journey from concept to commercialization. The session also emphasized the importance of cultivating an entrepreneurial mindset, encouraging students to think creatively and explore the vast potential within the biotechnology field. Mr. Harish's discussion on real-world examples helped bridge the gap between academic knowledge and practical application, demonstrating the impact that biotech entrepreneurs can have on society. The session was well-received, with students gaining valuable perspectives on how they can leverage innovation and entrepreneurship to shape their future careers in biotechnology.

## ➤➤➤ ACT 2.0 COHORT- COMPETITIVE ANALYSIS SESSION

The ACT Cohort Program aims to empower aspiring student innovators with the knowledge, resources, and guidance needed to transform their visionary ideas into tangible Proof of Concepts (POCs). Through workshops and interactive sessions, students gain practical insights and strategic thinking skills to bring their ideas to life.

Anvesana TBI recently conducted a highly informative session on Competitive Analysis for the ACT 2.0 Cohort students. This session was designed to provide participants with a deep understanding of both the foundational concepts and strategic applications of competitive analysis. By exploring key methodologies and real-world examples, students gained valuable insights into evaluating market competition effectively.

The session equipped the cohort with practical tools and knowledge to critically assess their competitive landscape, enabling them to devise well-informed strategies for success in their respective fields. With a solid grasp of these concepts, the ACT 2.0 students are now better prepared to navigate the complexities of their industries and drive their ventures toward growth and sustainability.

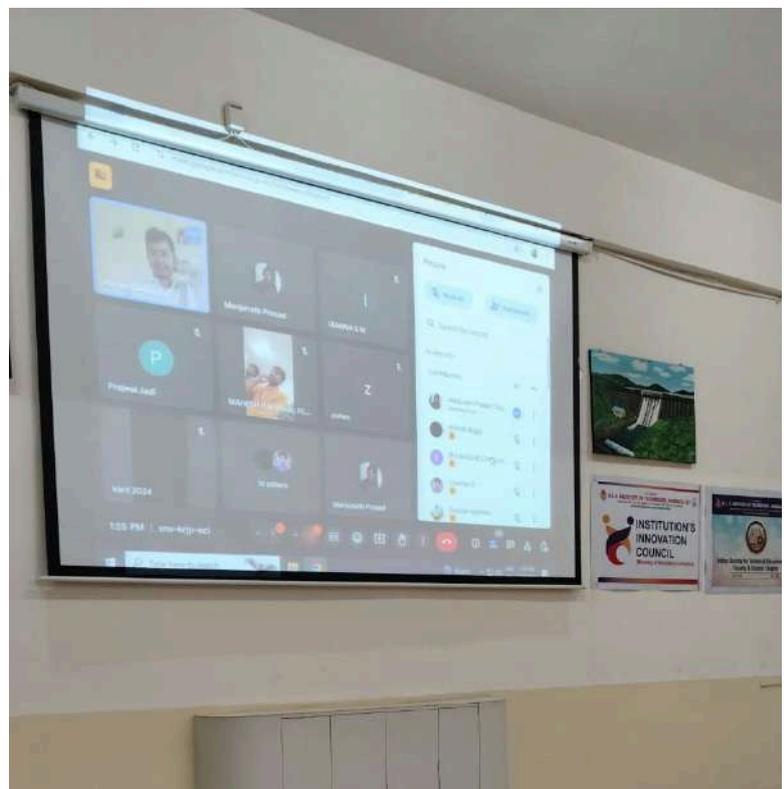

## ➤➤➤ AWARENESS SESSION ON INNOVATION AND ENTREPRENEURSHIP

Mr. Harish G, Head of Innovations and Programs at Anvesana, conducted a virtual awareness session on innovation and entrepreneurship for students at KLE IT Hubli. Raising awareness in these areas is essential for cultivating a culture of creativity, adaptability, and proactive problem-solving. Such sessions not only equip students for the ever-changing job market but also empower them to become future leaders and agents of change.

By promoting an entrepreneurial mindset, students develop critical thinking skills, enhance their ability to address real-world challenges, and contribute to economic growth. Additionally, awareness sessions inspire self-employment as a viable career option, building confidence and encouraging students to explore diverse opportunities. Ultimately, understanding innovation and entrepreneurship equips students to navigate uncertainties, embrace technological advancements, and contribute meaningfully to societal and economic development.

**ECOSYSTEM DEVELOPMENT - ROTARY CLUB MALENADU**

Mr. Harish G., Head of Innovations and Programs at Anvesana, was recently invited by the Rotary Club of Shivamogga to deliver an insightful talk on the significance of developing an entrepreneurial ecosystem in the region. During his presentation, Harish emphasized the crucial role that a vibrant ecosystem plays in fostering innovation, creating job opportunities, and driving economic growth. He highlighted that an entrepreneurial ecosystem is not just about supporting startups but is also a key enabler for the region’s overall socio-economic development.

Harish highlighted the benefits of an entrepreneurial ecosystem, such as access to mentorship, funding, networking, and knowledge exchange, explaining how these elements create a supportive environment for entrepreneurs. He also discussed how Shivamogga, with its unique strengths, can leverage this ecosystem to boost the local economy.

The session was an eye-opener for many, emphasizing the transformative role of entrepreneurship in regional development and the need for collaboration among government, educational institutions, businesses, and the community to foster an entrepreneurial culture in Shivamogga.
