Report on the Special Talk on the Indian Stock Market

Date: 9th December 2024

Time: 10.30 am - 11.30 am

Venue: PESIAMS Seminar Hall

Organized by: Synthesis Forum, Department of Commerce and Management.

Introduction:

A special talk on the Indian Stock Market was conducted to provide insights into its functioning, challenges, and opportunities. The session was designed to cater to students, faculties interested in understanding the dynamics of stock trading and investments in India.

Guest Speaker:

The talk was led by Mr. Dhaneesh, Zonal Retention Head (Karnataka) Angel One, an experienced professional in the Stock Trading with over 13 years of expertise in Money Management, Investment, and Brokerage.

Objectives of the Talk:

The primary objectives of the session were:

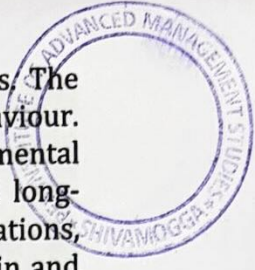

1. To introduce the basics of the Indian stock market.
2. To analyze its recent performance and trends.
3. To discuss the impact of macroeconomic factors on the market.
4. To highlight investment strategies and the role of technology.

Key Highlights

The speaker elaborated on the structure of the Indian stock market, including the National Stock Exchange (NSE) and the Bombay Stock Exchange (BSE). Importance of regulatory bodies like SEBI (Securities and Exchange Board of India) in ensuring transparency and fairness.

Analysis of recent stock market trends, key indices (Sensex and Nifty), and their movement over the past year. Discussion on sectors driving the growth, such as IT, pharmaceuticals, and renewable energy.

Impact of global economic factors, government policies, and geopolitical events. The role of inflation, interest rates, and foreign investments in shaping market behaviour. Tips on portfolio diversification and risk management. The significance of fundamental and technical analysis in making informed decisions. The speaker emphasized long-term investments over speculative trading. How digital platforms, fintech innovations, and algorithmic trading have transformed the market. Introduction to block chain and its potential impact on stock trading.

Interactive Q&A Session

The event concluded with an engaging Q&A session where participants posed queries about specific stocks, investment methods, and the future of the Indian stock market. The speaker addressed these questions with practical examples and expert advice.

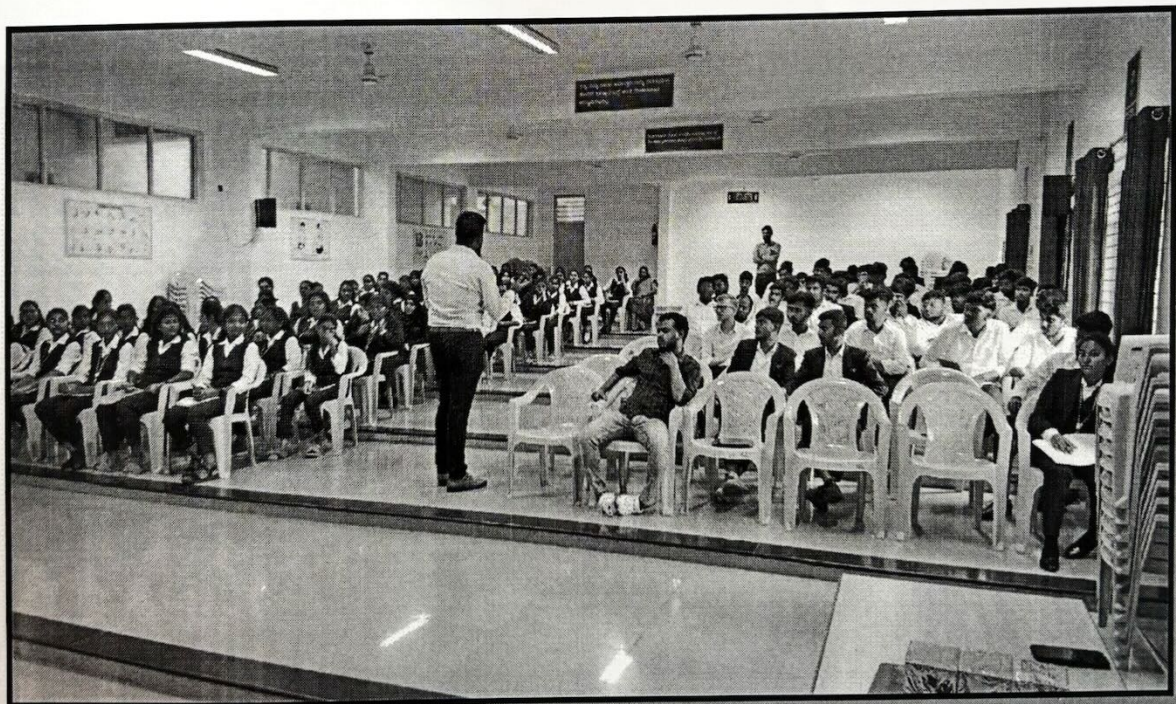

Conclusion

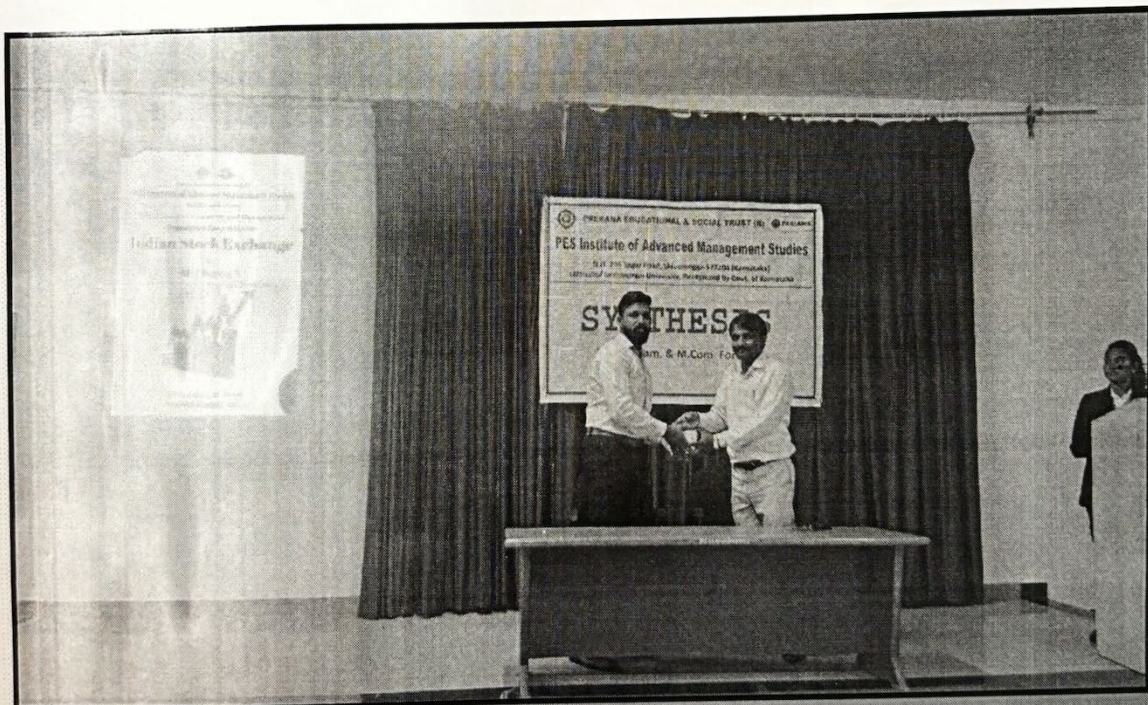

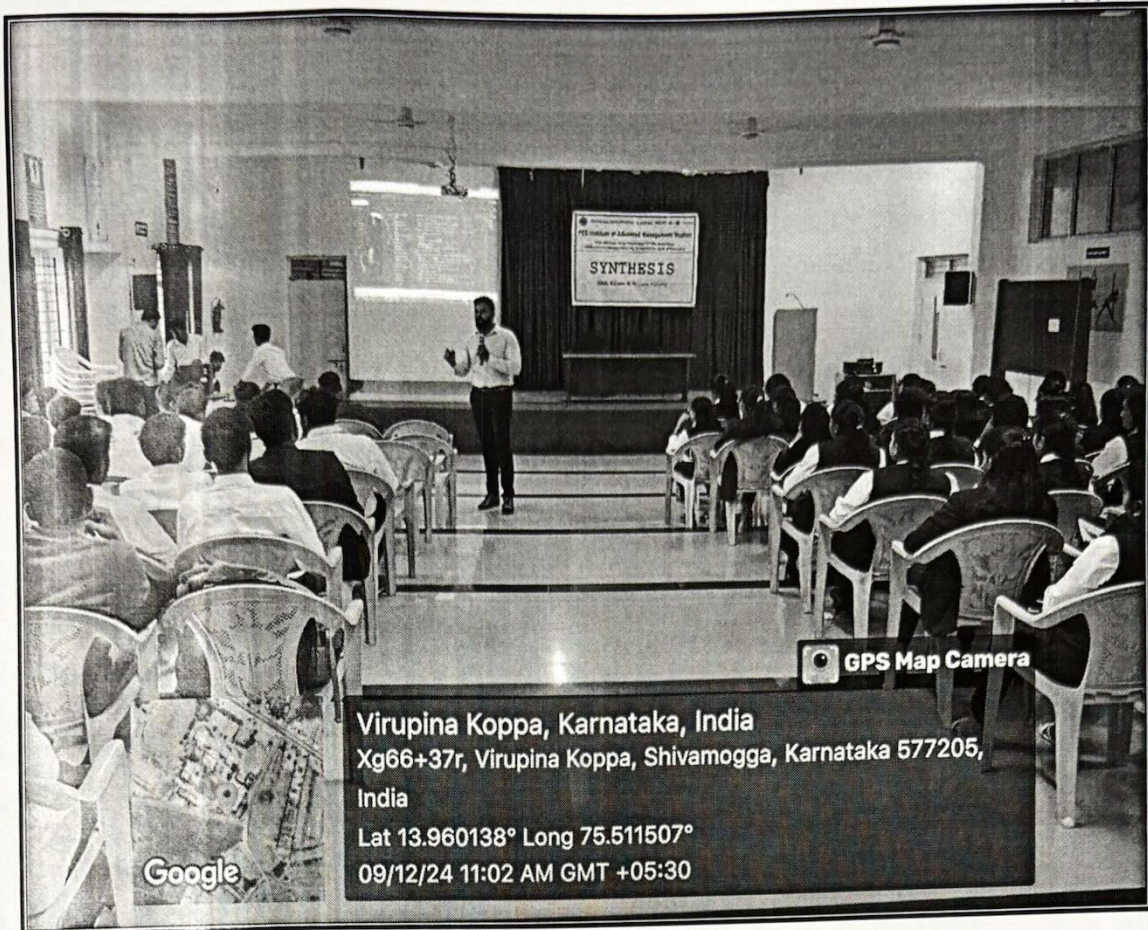

The talk provided attendees with a comprehensive understanding of the Indian stock market, covering both theoretical and practical aspects. It empowered participants with knowledge and strategies to approach stock market investments confidently.

Acknowledgment

The organizers extend their gratitude to Mr. Dhaneesh for delivering such an informative session and to all participants for their enthusiastic involvement.
