**Showcasing Extraordinary Talents and Skills at Intercollegiate Skill Fest**

PG Department of Commerce, PES Institute of Advanced Management Studies and Department of MBA and MCA, PES Institute of Technology & Management successfully organized Samanvaya 2023, an intercollegiate skill fest that provided a platform for students to showcase their diverse talents and skills. The event, held at the scenic Prerana Convention Hall, PES Campus, NH 206, Sagar Road, Shivamogga on 7/7/2023, witnessed enthusiastic participation, fostering camaraderie and healthy competition among participants.

Organized by PES Institute of Advanced Management Studies and PES Institute of Technology & Management, Samanvaya 2023 aimed to promote holistic development and provide students with an opportunity to exhibit their skills. The collaborative efforts of the PG Department of Commerce, MBA, and MCA departments ensured the success and smooth functioning of the event.

Samanvaya 2023 Event Inauguration- 7-7-2023

The event aims to provide a platform for students to showcase their skills and talents while fostering healthy competition and holistic development, speaking on this occasion, **Dr. Aruna D, Principal of PES Institute of Advanced Management Studies (PESIAMS)**, highlighted the engagement of students in various skills and their overall development through the intercollegiate skill fest, Samanvaya 2023. Organized by PESIAMS and PES Institute of Technology & Management, the fest aims to provide a platform for students to showcase their talents and skills.

**Dr. Aruna D** emphasized the significance of events like Samanvaya 2023 in engaging students and fostering their holistic development. The fest offers participants a diverse range of skill tracks and events, allowing them to explore and enhance their talents in multiple domains. The

fest provides opportunities for students to express their creativity, enhance their emotional intelligence, improve their problem-solving and critical thinking abilities, and showcase their physical talents. The Cultural Skills segment combines creativity with dance performances, further enriching participants' cultural understanding and expression.

**Dr. Chaitanya Kumar MV**, Principal of PES Institute of Technology & Management (PESITM) expressed his enthusiasm for Samanvaya 2023 and highlighted the significance of such events in shaping students' overall growth. "Events like Samanvaya 2023 play a crucial role in engaging students and promoting their holistic development," and through various skill tracks and events, participants can develop and showcase their talents, nurturing their overall growth and potential. "He wished all the participants the best of luck and encouraged them to make the most of this opportunity to showcase their abilities and talents.

**Dr. R Nagaraja**, CCA- PES Trust highlighted the significance of participating in events like Samanvaya 2023 for developing organizational capabilities. He encouraged students to actively involve themselves in the skill fest, as it provides a platform to enhance various skills such as teamwork, communication, adaptability, and problem-solving. He also expressed as "Participating in Samanvaya 2023 offers students a unique opportunity to develop their organizational capabilities and engaging in various tracks and events will not only sharpen their skills but also enable them to learn valuable lessons in collaboration, time management, and leadership." Samanvaya 2023 brings together students from various colleges and disciplines, fostering a sense of camaraderie and healthy competition. The skill fest aims to provide a comprehensive platform for participants to showcase their skills in creative, emotional, intellectual, physical, and cultural domains and within these tracks.

1. **The Creative Skills** track witnessed the "Ink In Me - Story Writing" event, challenging participants to craft impactful narratives using only 20 words. Additionally, the "Switch and Sink - Picture Connection" activity required participants to creatively connect unrelated pictures, showcasing their artistic interpretation and creative thinking.
2. **The Emotional Skills** track offered participants the opportunity to showcase their emotional intelligence and communication abilities. The "U-Turn - Team Emotions" event tested their adaptability and teamwork by changing emotions based on different advertisements. The "Click and Talk - Image Interpretation" activity encouraged

participants to analyze and express their thoughts on displayed images, fostering effective communication and critical thinking.

3. **The Intellectual Skills** track presented three rounds of challenging quizzes. The first round featured 60 logical questions to assess participants' critical thinking and problem-solving abilities. The second round tested their knowledge of popular company logos, while the final round centered on Shimoga city, promoting local awareness and fostering a deeper connection with the surroundings.
4. **The Physical Skills** track introduced the "NEWS - Vlogging PES Campus" event, where participants utilized their mobile phones to create captivating vlogs of the PES campus within a limited time frame. This activity showcased their storytelling abilities, videography skills, and editing techniques.
5. **The Cultural Skills** segment pushed the boundaries of creativity by combining real-time advertisement remixing and mesmerizing dance performances. Participants skillfully blended elements from various ads and captivated the audience with their rhythmic movements, synchronized choreography, and expressive storytelling.

During the event, 22 teams comprising 240 students from 12 different colleges in and around Shimoga city participated in Samanvaya 2023, creating an atmosphere of healthy competition and skill development.
