Report on Online Certification Course (SWAYAM)

SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

This is done through a platform that facilitates hosting of all the courses, taught in classrooms from Class 9 till post-graduation to be accessed by anyone, anywhere at any time. All the courses are interactive, prepared by the best teachers in the country and are available, free of cost to any learner. More than 1,000 specially chosen faculty and teachers from across the country have participated in preparing these courses.

The courses hosted on SWAYAM are in 4 quadrants (1) video lecture, (2) specially prepared reading material that can be downloaded/printed (3) self-assessment tests through tests and quizzes and (4) an online discussion forum for clearing the doubts. Steps have been taken to enrich the learning experience by using audio-video and multi-media and state of the art pedagogy/technology.

Courses delivered through SWAYAM are available free of cost to the learners, however learners wanting a SWAYAM certificate should register for the final proctored exams that come at a fee and attend in-person at designated centers on specified dates, Eligibility for the certificate will be announced on the course page and learners will get certificates only if these criteria are matched. Universities/colleges approving credit transfer for these courses can use the marks/certificate obtained in these courses for the same.

Mr. MANJUNATH HR. HOD, Department of Commerce, has delivered the importance of online certificate courses to M.Com students and also students register to online courses like as "E-business and Digital Marketing". (He also gave information on benefits for students; such Students can review and assess their own progress through assignments weekly). Inculcate mode of self-learning and get access to lectures of IIT/IISc distinguished Faculty. He also gave information on how students can get benefited out of such courses through reviewing and assessing their own progress through weekly assignment. He also added such platform inculcates a sense of self learning among students and get Assessee to lectures of IIT/IISC professors. The certificates issued by the CCE, IIT and hence are valuable additions when the student is applying for jobs. He also gives information on criteria to get a certificate. Such certificates Programme are value addition to consider as the student profile. He also detailed the criteria to a get certificate.

Criteria to get a certificate

Average assignment score = 25% of average of best 8 assignments out of the total 12 assignments given in the course.

Exam score = 75% of the proctored certification exam score out of 100

Final score = Average assignment score + Exam score
