State Level Technical Symposium-Mysterio- 4.0

Two Day State Level Technical Symposium "Mysterio-4.0" was organized by the Department of Electrical and Communication Engineering, Jawaharlal Nehru National College of Engineering, Shivamogga on 28-05-2024 and 29-05-2024. The theme of the Fest was "Mysterio -4.0," aimed at exploring the enigmatic world of technology and innovation. The fest featured a range of events catering to the diverse interests and talents of students in the field of Information Technology. The Fest provided a platform for students to apply their theoretical knowledge to practical challenges, fostering innovation and creativity.

Two Day State Level Technical Symposium Events:

1. **Dr. Circuit:** A hardware-oriented event focusing on circuit design and implementation.
2. **Engineering Way Out:** A problem-solving event challenging participants to devise innovative solutions to real-world engineering problems.
3. **Hiring Challenge:** An opportunity for students to showcase their technical skills to potential employers through challenging coding tasks and problem-solving scenarios.
4. **Paper Presentation:** A platform for students to present their research and innovative ideas in various areas of information technology.
5. **Programiz:** A coding competition aimed at testing the programming skills and logical thinking of participants.

A total of 30 students of BCA and B. Sc., Department of Computer Science, PESIAMS,

Shivamogga actively participated in all the events, showcasing their interest, enthusiasm and passion for technology and won the prizes.
