Guest Talk on

"Data Science – Big Data Analytics"

By Sandhya R. , Associate Professor, Department of Master of Computer Applications, JNN College of Engineering, Shivamogga

20-02-2021

A Guest talk was arranged on **"Data Science – Big Data Analytics"** for Fourth semester BCA & B.Sc. students. The resource person started her talk by sharing her knowledge on overview, importance and technological aspects used in Big Data. She also enlightened the students that the Big Data Analytics technology has become basic requirement in the current IT Industry and told the students that most of the reputed IT companies are using Big Data Analytics skills to take business data driven decisions efficiently in the right time. The resource person gave brief information about the skill sets that need to be incorporated to become a successful IT Professional and also about the Job opportunities.
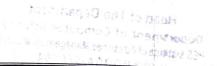

The guest speaker gave some valuable tips to the students to take up simple problem statements and collect data first, analyze the data and apply the analytical techniques which can be incorporated during their Data Science related projects.

She concluded the session by motivating the students to explore in the field of Corporate, how the top companies make use of the Data Science – Big Data Analytics . She suggested the students to develop small applications on their own using new technologies.

The talk was followed by an interactive session. The talk has proven to be very inspiring and informative for the students.

Dr. K. Sailatha, Principal, Ms. Roopa D S, HOD, Department of Computer Science, Ms. Ashwini E M, Cluster Coordinator and faculty members of Department of Computer Science were also present. Second year students, Mr. Loyala D'Souza welcomed the Guests, Ms. Madhura G P did invocation and Ms. Sahana proposed Vote of thanks on the occasion.

128 students attended this special guest talk.
