Special talk on Innovation and Design thinking

Cluster Forum, in association with IQAC, hosted a Special talk on "**Innovation and Design Thinking**" for all B.Sc. Students on 09-12-2023, from 10:00 am to 12:00 pm.

Mr. Akshay Mashelkar, the Founder and CEO of Experimind Labs Pvt. Ltd., Director of AIC FabLabNitte, Karkala, graced the occasion as the esteemed guest. He explained the significance of innovation in contemporary society and provided valuable insights on fostering creativity, developing innovative solutions, and driving meaningful change through principles of design thinking. Mr. Mashelkar shared his experiences, insights, and practical advice for implementing design thinking methodologies across various domains. His discourse encouraged students to collaborate effectively in teams and recognize the importance of diverse perspectives. The session instilled confidence in students regarding their capability to approach challenges from different angles, thereby enhancing their creativity and problem-solving abilities.

Ms. Roopa D. S., HOD, Department of Computer Science, Ms. Rashmi R, Cluster Forum Coordinator, faculty members and all B.Sc. students were present in the Inaugural Program. The guest was greeted and given an introduction by Ms. Kavanashree T K, Assistant Professor in physics. Ms. Shivani V. Hegde, Assistant Professor, Department of computer science, conveyed her gratitude to the resource person for excellent commitment which was evident throughout the entire duration of the program. The session was meticulously planned, and the delivery was engaging, informative and highly beneficial.

A total of **104** students attended and gained knowledge about how to think, design and apply innovatively their new ideas that benefit the society.
