"Tech Phantom"

03-02-2021

The BCA Department organized **"Tech Phantom"** event to identify the technical skills in all Computer Science students. Overall performance of our students was appreciated by one and all. For this exciting event 47 teams (3 students per team) had participated and three teams got first, second and third prizes respectively and the details are as follows.

This competition Consisted of 3 Rounds:

Round 1 – Crossword (Technical)

Time limit 10 minutes

Round 2 – Memory test

2minutes to visualize the picture

2 minutes to list out minimum 15 words.

Round 3 – Rapid fire quiz on computer science

10 questions per team.

Objectives of the event:

1. Crossword and memory testing provide students with an opportunity to evaluate their knowledge and require students to pay attention to terminology as they need to spell each word correctly. And also helps to effective learning.
2. To improve the corporate knowledge.
3. Understanding the time management and group involvement.
